

Village Hall Improvements Questionnaire

Following on from the success of our past projects, including replacing the external doors and windows and new flooring we are now looking to the future. The Committee want to continue to improve the facilities we have to offer.

Please take a few minutes to complete this questionnaire to help us understand what improvements you would like to see in your village hall. Your input is important as it can help us when we apply for grants to assist with the cost of the improvements.

Do you use the hall facilities on a regular basis? Yes / No

If yes, what club/organisation do you use or support?

We have some projects we would like to achieve that we feel would benefit all our users, but we need your opinions. Please tick the projects you would agree need to be accomplished.

- Insulation to improve heat retention and save money on running costs.
- New boiler and improvements to the heating system to increase the warmth in the facilities during the colder months.
- Redecoration throughout the complex.
- Improvements to the kitchen.

Do you have any further suggestions for improvements or comments?
